WHEREAS said Town and Department believe that said flow of water and the dangerous, icy and hazardous condition which sometimes results therefrom can be fully corrected only by laying certain drain pipes from the catch basins hereinbefore referred to in a southerly direction across the land of the said Catherine T. Sears to a culvert running from the north to south under the right of way of the Boston and Albany Railroad which bounds the southerly side of the land of said Catherine T. Sears,

2. The Town may install under the surface of the owner's land such pipes or structures referred to in the preceding paragraph hereof in such manner that the top of said pipes shall not be less than two (2) feet beneath the surface of the ground and that water conducted through said pipes shall not empty on any part of the surface of the owner's land.

3. The Town, in installing such pipes or structures underneath the surface of the owner's land as herein described and in all work connected therewith will take every precaution and make every effort to injure or damage the property of the owner as little as possible and with no more inconvenience as is necessary and upon completion of the work shall, as near as possible, restore the land of the owner to its original grade and condition and shall restore to the surface thereof the same or an equal amount of loam as is removed therefrom.

4. The Town hereby releases, discharges and forever holds harmless the said Catherine T. Sears, her heirs, executors, administrators, successors and assigns from any claim, demand, action, cause of action, damage or liability whatsoever, both in law and in equity, which may result from the installation, construction, maintenance or repair of any of the pipes or structures hereinbefore referred to and authorized hereunder.

5. The owner, for herself, her heirs, executors, administrators, successors and assigns, hereby releases and holds harmless the Town, its officers, agents, servants, and employees from any claim, demand, action, cause of action, damage or liability whatsoever, both in law and in equity, which may result from any act authorized hereby or any omission in connection therewith except as provided herein and hereby grants to said town a perpetual easement to install, construct, maintain and repair said pipes for the purpose hereinbefore described.

WHEREAS, JOHN HILL of the Town of Southborough is the owner of a certain parcel of land situated on the easterly side of Lyman Street in the Town of Southborough; and

WHEREAS, the said JOHN HILL desires to drain the cellar of a house which he proposes to build on said lot and to connect said drain with the main drain in said Lyman Street; and

WHEREAS, the said TOWN OF SOUTHBOROUGH, acting by its Board of Selectmen and Superintendent of Streets, has no objection to said JOHN HILL so constructing said drain and connecting the same with the main drain in Lyman Street provided said JOHN HILL will discharge, release and forever hold harmless the said Town of Southborough for any damage or inconvenience which he or his successors in title might sustain as a result of so connecting said drain to said main drain.

WHEREAS the warrant for the annual town meeting of the Town of Southborough held on March 10, 1952, contained the following article

"Article 27. To see if the town will vote to raise and appropriate the sum of fourteen hundred dollars (\$1400) for the purchase of a new police cruiser car and to authorize the board of selectmen to sell, turn in or otherwise dispose of a 1947 Ford sedan now being used as a police cruiser, or do or act anything in relation thereto", and

WHEREAS said meeting under said article voted in part to raise and appropriate the sum of two thousand dollars (\$2,000) for the purchase of a police cruiser to be equipped with a two way radio, and

WHEREAS the board of selectmen, in accordance with the law, requested bids for the purchase of a police cruiser and received two (2) bids, one from Alton B. Spurr in the sum of Dollars (\$), and one from Perham in the sum of Dollars (\$), both of which bids were opened and acted upon on May 2, 1952, and

WHEREAS the contract for the purchase of said cruiser was awarded to said Alton B. Spurr, the low bidder, and

WHEREAS the Commissioner of Corporations and Taxation, acting by and through the Director of Accounts, has ruled that said vote was illegal because there was no authority in the town to appropriate more than fourteen hundred dollars (\$1400) under said article and has instructed the town treasurer not to honor any warrant drawn by the board of selectmen on the town treasury for payment of said cruiser, and

WHEREAS the town treasurer has notified the board of selectmen that he will not honor any such warrant, and

WHEREAS the board of selectmen believes that the town was

authorized to appropriate two thousand dollars (\$2000) under said article and their action in awarding said contract to said Alton B. Spurr was a binding contract between said Spurr and the town, and

WHEREAS the town cannot amend, rescind or alter said vote if the same was legally adopted and passed because said Spurr and Perham have acquired rights thereunder, and

WHEREAS neither said Spurr nor Perham have acquired any rights under said contract if the town was not authorized to pass and adopt the vote taken under article 27,

NOW THEREFORE, I, the said Perham, in consideration of the doubt existing as to the legality of the vote taken under said article 27, and in order to enable the town to rescind said vote, hereby release and waive any rights which I may have acquired on account of said article 27, the vote taken thereunder and any action taken thereunder by me or by the board of selectmen of said town, and I hereby release and discharge the Town of Southborough, its officers, agents, servants and employees, from any rights which I may have gained, and from any duties or obligations which may have been assumed by said Town of Southborough, its officers, agents, servants and employees and which may have arisen as a result of said article, the vote taken thereunder, or any action taken thereunder by said Town of Southborough, its officers, agents, servants or employees.
